Summary

At the heart of my professional journey lies a passion for transforming data into actionable insights. Currently immersing myself in the intricacies of data analysis and visualization through hands-on simulations with Deloitte Australia and Tata Consultancy Services. My work includes crafting data dashboards and executive visuals, leveraging tools like Tableau, Excel, and Canva to empower business decisions.

Education at Thiagarajar College is shaping my commerce acumen, complementing my technical skills to support a holistic business perspective. As I navigate through my Bachelor of Commerce program, I am eager to apply my adaptability and proficiency in Microsoft Office to future challenges, driven by a commitment to excellence and an unwavering work ethic.
